CITY CHARTER.

Commonwealth of Massachusetts.

In the year One Thousand Eight Hundred and Forty-Seven.

AN ACT TO ESTABLISH THE CITY OF CHARLESTOWN.

*Be it enacted by the Senate and House of Representatives,
in General Court assembled, and by the authority of the
same, as follows :*

SECTION 1. The inhabitants of the town of Charlestown shall continue to be a body politic and corporate, under the name of the City of Charlestown, and, as such, shall have, exercise and enjoy all the rights, immunities, powers and privileges, and shall be subject to all the duties and obligations now incumbent upon and appertaining to said town as a municipal corporation.

SECT. 2. The administration of all the fiscal, prudential and municipal affairs of said city, with the government thereof, shall be vested in one principal officer, to be styled the mayor; one council of six, to be called the board of aldermen; and one council of eighteen, to be called the common council; which boards, in their joint capacity, shall be denominated the city council, and the members thereof shall be sworn to the faithful performance of the duties of their respective offices. A majority of each board shall constitute a quorum for doing business, and no member of either shall receive any compensation for his services.

SECT. 3. It shall be the duty of the selectmen of the town of Charlestown, as soon as may be after the passage of this act, and

its acceptance by the inhabitants as hereinafter provided, to divide said town into three wards, as nearly equal in number of inhabitants as may be consistent with convenience in other respects. And it shall be the duty of the city council, once in five years, to revise, and if it be needful, to alter such wards in such manner as to preserve as nearly as may be, an equal number of voters in each ward.

SECT. 4. On the second Monday in March,¹ annually, there shall be chosen by ballot, in each of said wards, a warden, clerk, and three inspectors of elections, who shall hold their offices for one year from the first Monday in April,² following said second Monday in March, and until others shall have been chosen in their place. And it shall be the duty of such warden to preside at all ward meetings, with the powers of moderator of town meetings. And if at any meeting the warden shall not be present, the clerk of such ward shall call the meeting to order, and preside until a warden pro tempore shall be chosen by ballot.³ And if at any meeting the clerk shall not be present, a clerk pro tempore shall be chosen by ballot. The clerk shall record all the proceedings and certify the votes given, and deliver over to his successors in office, all such records and journals, together with all other documents and papers held by him in said capacity. And it shall be the duty of inspectors of elections to assist the warden in receiving, assorting and counting the votes. And the warden, clerk and inspectors so chosen, shall respectively make oath or affirmation, faithfully and impartially to discharge their several duties, relative to elections, which oath may be administered by the clerk of such ward to the warden, and by the warden to the clerk and inspectors, or by any justice of the peace for the county of Middlesex. And all warrants for meetings of the citizens for municipal purposes, to be held either in wards or in general meetings, shall be issued by the mayor and aldermen, and shall be in such form, and shall be served, executed and returned in such manner, and at such times as the city council may by any by-law direct.

(1) Now 2d Monday in December. See act of 1849, §§1 and 3.

(2) From the first Monday in January, and until their successors are qualified. Act of 1849, §2. Act of 1850, §2.

(3) See act of 1850, §3.

SECT. 5. The mayor and six aldermen, two aldermen to be selected from each ward, shall be elected by the inhabitants of the city, at large, voting in their respective wards, and six common councilmen shall be elected from and by each ward, being residents of the wards in which they are elected; all said officers shall be chosen by ballot, and shall hold their offices for one year from the first Monday in April,¹ and the mayor until another shall be elected and qualified in his place.

SECT. 6. On the second Monday in March,³ annually, the qualified voters in each ward shall give in their votes for mayor, aldermen and common councilmen, warden, clerk and inspectors, as provided in the preceding section; and all the votes so given shall be assorted, counted, declared and registered in open ward meeting, by causing the names of persons voted for, and the number of votes given for each, to be written in the ward records in words at length. The clerk of the ward, within twenty-four hours after such election, shall deliver to the persons elected warden, clerk and inspectors, and members of the common council, certificates of their election, signed by the warden and clerk, and by a majority of the inspectors of elections, and shall deliver to the city clerk a copy of the records of such election, certified in like manner; provided, however, that if the choice of warden, clerk, inspectors or common councilmen cannot be conveniently effected on that day, the meeting may be adjourned from time to time to complete such election.³ The board of aldermen shall, as soon as conveniently may be, examine the copies of the records of the several wards, certified as aforesaid, and shall cause the person who may have been elected mayor, to be notified in writing of his election; but if it shall appear that no person has received a majority of all the votes, or if the person elected shall refuse to accept the office, the board shall issue their warrants for a new election, and the same proceedings shall be had as are herein before described, for the choice of mayor, and repeated from time to time until a mayor is chosen. In case of the decease, resignation or absence of the mayor, or of his inability to

perform the duties of his office, it shall be the duty of the board of aldermen and the common council in convention, to order by vote an entry of that fact to be made in their records, and then to elect a mayor for the time being, to serve until another is chosen, or until the occasion causing the vacancy is removed. And, if it shall appear that the whole number of aldermen have not been elected, the same proceedings shall be had as are herein before directed for choice of mayor. And each alderman shall be notified in writing of his election, by the mayor and aldermen for the time being. The oath prescribed by this act shall be administered to the mayor by the city clerk, or any justice of the peace for the county of Middlesex. The aldermen and common councilmen elect, shall, on the first Monday of April,¹ at ten o'clock in the forenoon, meet in convention, when the oath required by this act shall be administered to the members of the two boards present, by the mayor, or by any justice of the peace for the county of Middlesex, and a certificate of such oath having been taken, shall be entered on the journal of the mayor and aldermen and of the common council, by their respective clerks. And whenever it shall appear that no mayor has been elected previously to the said first Monday in April,¹ the mayor and aldermen for the time being shall make a record of that fact; an attested copy of which the city clerk shall read at the opening of the convention to be held as aforesaid. After the oath has been administered as aforesaid, the two boards shall separate, and the common council shall be organized by the choice of a president and clerk, to hold their office during the pleasure of the common council, and to be sworn to the faithful performance of their duties. In case of the absence of the mayor elect on the first Monday in April,¹ the city government shall organize itself in the manner herein before provided, and may proceed to business in the same manner as if the mayor were present, and the oath of office may be administered to the mayor at any time thereafter, in a convention of the two branches. In the absence of the mayor, the board of aldermen may choose a chairman pro tempore, who shall preside at joint meetings of the two boards. Each board shall keep a record of its own proceedings, and judge of

the elections of its own members; and in failure of election, or in cases of vacancy declared by either board, the mayor and aldermen shall order a new election.

SECT. 7. The mayor, thus chosen and qualified, shall be the chief executive officer of said city. It shall be his duty to be vigilant in causing the laws and regulations of the city to be enforced, and to keep a general supervision over the conduct of all subordinate officers, with power to remove them for neglect of duty. He may call special meetings of the boards of aldermen and common council, or either of them, when necessary in his opinion, by causing notices to be left at the places of residence of the several members; he shall communicate from time to time, to both of them, such information and recommend such measures as in his opinion the interests of the city may require; he shall preside in the board of aldermen and in convention of the two branches, but shall have only a casting vote. The salary of mayor for the first year in which this charter shall take effect, shall be five hundred dollars, and no more; his salary shall afterwards be fixed by the city council, but neither increased nor diminished during the year for which he is chosen, and he shall have no other compensation; provided, however, that the city council shall have power to appoint the mayor commissioner of highways, when in their opinion such an officer is necessary, and allow him a suitable compensation therefor.¹

SECT. 8. The executive power of said city generally, and the administration of police, with all the powers heretofore vested in the selectmen of Charlestown, shall be vested in the mayor and aldermen, as fully as if the same were herein specially enumerated. And all other powers now vested in the inhabitants of said town as a municipal corporation, and all powers granted by this act, not herein otherwise provided for, shall be vested in the mayor and aldermen and common council of said city, to be exercised by concurrent vote, each board having a negative upon the other. And the mayor and aldermen shall have full and exclusive power to appoint a constable and assistants, or a city marshal and assistants, with the powers and duties of constables, and all other

police officers, and the same to remove at pleasure. And the mayor and aldermen may require any person appointed a constable of the city, to give bonds with such security as they may deem reasonable, before he enters upon the duties of his office, upon which bonds the like proceedings and remedies may be had as are by law provided in case of 'constables' bonds taken by the selectmen of towns. And the mayor and aldermen shall have the same power to grant licenses to inn-holders, victuallers and retailers, within the city, which is possessed by the mayor and aldermen of the city of Boston. The city council shall, annually, as soon after their organization as may be convenient,¹ elect by joint ballot in convention, a treasurer and collector of taxes, engineers of the fire department, a city clerk, three assessors of taxes, and fix their compensations. They shall also, in such manner as they shall determine, appoint or elect all other subordinate officers, not herein otherwise directed; define their duties, and fix their compensations. All sittings of the common council shall be public, and all sittings of the mayor and aldermen, when they are not engaged in executive business. The city council shall take care that no moneys be paid from the treasury unless granted or appropriated; shall secure a just and proper accountability by requiring bonds with sufficient penalties and sureties, from all persons trusted with the receipt, custody or disbursement of money;² shall have the care and superintendence of the city buildings, with the power to let, or to sell, what may be legally sold; and to purchase property, real or personal, in the name and for the use of the city, whenever its interest or convenience may, in their judgment, require it.³ And the city council shall, as often as once in a year, cause to be published, for the use of the inhabitants, a particular account of the receipts and expenditures, and a schedule of city property.

SECT. 9. In all cases in which appointments are directed to be made by the mayor and aldermen, the mayor shall have the exclusive power of nomination; such nomination, however, being subject to be confirmed or rejected by the board of aldermen;

provided, however, that no person shall be eligible to any office of emolument, the salary of which is payable out of the city treasury, who at the time of such appointment, shall be a member of the board of aldermen or of the common council.

SECT. 10. The city clerk shall be clerk of the board of aldermen, and shall be sworn to the faithful performance of his duties. He shall perform such duties as shall be prescribed by the board of aldermen,¹ and he shall perform all the duties and exercise all the powers by law incumbent upon, or vested in the town clerk of the town of Charlestown. He shall be chosen for one year, and until another shall be chosen and qualified in his place, but may be at any time removed by the city council.

SECT. 11. The citizens, at their respective annual ward meetings for the choice of officers, shall elect by ballot two persons in each ward,² to be overseers of the poor, and the persons thus chosen, together with the mayor, shall constitute the board of overseers of the poor, and shall have all the powers and be subject to all the duties now by law appertaining to the overseers of the poor for the town of Charlestown. And the citizens shall at the same time, and in the same manner, elect five persons from the city at large, and two persons from each ward, to be members of the school committee, and the persons thus chosen shall constitute the school committee,³ and have the care and superintendence of the public schools; and said school committee shall have all the powers and privileges, and be subject to all the liabilities set forth in an act passed by the legislature of Massachusetts in the year of our Lord one thousand seven hundred and ninety-three, entitled "an act to incorporate certain persons by the name of the Trustees of Charlestown Free Schools," and all acts in addition thereto.⁴ And the persons chosen by the city council as assessors, shall constitute the board of assessors, and shall exercise the powers and be subject to the duties and liabilities of assessors in towns. All taxes shall be assessed, apportioned and collected in the manner prescribed by law relative to town taxes; provid-

ed, however, that it shall be lawful for the city council to establish further additional provisions for the collection thereof.¹ Should there fail to be a choice of overseers of the poor, or members of the school committee, the vacancy or vacancies shall be filled by the city council in convention, in the same manner that is provided for filling vacancies in the Senate of this Commonwealth.²

SECT. 12. The city council shall have exclusive authority and power to lay out any new street or town way, and to estimate the damages any individual may sustain thereby, but all questions relating to the subject of laying out, accepting, altering or discontinuing any street or way, shall first be acted upon by the mayor and aldermen.³ And any person dissatisfied with the decision of the city council in the estimate of damages, may make complaint to the county commissioners of the county of Middlesex, at any meeting held within one year after such decision, whereupon the same proceedings shall be had as are now provided by the laws of this commonwealth in cases where persons are aggrieved by the assessment of damages by selectmen, in the twenty-fourth chapter of the revised statutes.

SECT. 13. All power and authority now by law vested in the board of health for the town of Charlestown, or in the selectmen of said town,⁴ shall be transferred to and vested in the city council, to be carried into execution in such manner as the city council shall deem expedient.

SECT. 14. The city council shall have authority to cause drains and common sewers to be laid down through any street or private lands, paying the owners such damage as they may sustain thereby; and to require all persons to pay a reasonable sum for the privilege of opening any drain into said public drain or common sewer. And the city council may make by-laws, with suitable penalties, for the inspection, survey, measurement and sale of lumber, wood, coal and bark, brought into the city for sale.

(4) See Special Laws Nos. 6 and 7, and Ordinance No. 7.

SECT. 15. It shall be the duty of the city council, annually, in the month of October, to meet in convention and determine the number of representatives to be elected by the city to the general court in such year, which shall be conclusive, and the number thus determined shall be specified in the warrant calling meetings for the election of representatives.

SECT. 16. All elections for County, State and United States officers who are voted for by the people, shall be held at meetings of the citizens, qualified to vote in such elections, in their respective wards, at the times fixed by law for these elections respectively;¹ and at such meetings all the votes given for said several officers respectively, shall be assorted, counted, declared and registered in open ward meeting, by causing the names of all persons voted for, and the number of votes given for each, to be written in the ward record in words at length. The ward clerk shall forthwith deliver to the city clerk a certified copy of the record of such elections. The city clerk shall forthwith record such returns, and the mayor and aldermen shall, within two days after every such election, examine and compare all said returns, and make out a certificate of the result of such election, to be signed by the mayor and a majority of the aldermen, and also by the city clerk, which shall be transmitted or delivered in the same manner as similar returns are by law directed to be made by selectmen of towns. And in all elections for representatives to the General Court, in case the whole number proposed to be elected shall not be chosen by a majority of the votes legally returned, the mayor and aldermen shall forthwith issue their warrant for a new election, conformably to the provisions of the constitution and the laws of the commonwealth.

SECT. 17. Prior to every election, the mayor and aldermen shall make out lists of all the citizens of each ward qualified to vote in such elections, in the manner in which the selectmen of towns are required to make out lists of voters; and for that purpose they shall have full access to the assessors books and list, and be entitled to the assistance of all assessors, assistant assessors, and city officers, and they shall deliver said lists, so prepared and

corrected, to the clerks of said wards, to be used at such elections ; and no person shall be entitled to vote, whose name is not borne on such list.

SECT. 18. General meetings of the citizens qualified to vote, may from time to time be held, to consult upon the public good ; to instruct their representatives, and to take all lawful measures to obtain redress for any grievances, according to the right secured to the people by the constitution of this commonwealth. And such meetings may and shall be duly warned by the mayor and aldermen, upon the requisition of fifty qualified voters.

SECT. 19. For the purpose of organizing the system of government hereby established, and putting the same into operation in the first instance, the selectmen of the town of Charlestown, for the time being, shall, on some day during the months of March or April of the present year, issue their warrants seven days at least, previous to the day appointed, calling meetings of the said citizens at such place and hour as they may deem expedient, for the purpose of choosing a warden, clerk and inspectors for each ward, and all other officers whose election is provided for in the preceding sections of this act : and said selectmen shall appoint for this first meeting a warden, clerk and three inspectors of elections for each ward, which officers shall be sworn to the faithful discharge of their duties, and the transcripts of the records of each ward, specifying the votes given for the several officers aforesaid, certified by the warden and clerk of such ward, at said first meeting, shall be returned to the said selectmen, whose duty it shall be to examine and compare the same, and in case said elections should not be completed at the first meeting, then to issue new warrants until such elections shall be completed ; and to give notice thereof in the manner herein before directed, to the several persons elected. And the selectmen shall appoint such time for the first meeting of the city council, as they may judge proper, after the choice of city officers, as aforesaid, or a majority of the members of both branches, not later than the first Monday in May, in the year one

thousand eight hundred and forty-seven, and shall also fix upon the place and the hour of said first meeting. and a written notice thereof shall be sent by said selectmen, to the place of abode of each of the city officers chosen, as provided in this section. And after this first election of city officers, and this first meeting for the organization of the city council, as in this section is provided, the day of holding the annual elections, and the day and hour for the meeting of the city council, for the purpose of organization, shall remain as provided in the sixth section of this act. And it shall be the duty of the city council, immediately after the first organization, to elect all necessary city officers, who shall hold their offices respectively until others are chosen and qualified. And at the meetings to be called as prescribed in this section for the choice of ward and city officers, the said inhabitants may, and shall also, give in their votes for county officers, which votes shall be recorded, certified and returned in the manner provided in the sixteenth section of this act.

SECT. 20. The city council shall have power to make all such salutary and needful by-laws, as towns, by the laws of this commonwealth, have power to make and establish, and to annex penalties not exceeding twenty dollars, for the breach thereof, which by-laws shall take effect, and be in force, from and after the time therein respectively limited, without the sanction of any court, or other authority whatever; provided, however, that all laws and regulations now in force in the town of Charlestown, shall, until they shall expire by their own limitation, or be revised or repealed by the city council, remain in force; and all fines and forfeitures for the breach of any by-law or ordinance, shall be paid into the city treasury.

SECT. 22. All officers of the town of Charlestown, having the care and custody of the records, papers or property belonging to said town, shall deliver the same to the city clerk within one week after his entering upon the duties of his office.

SECT. 23. All such acts and parts of acts as are inconsistent with the provisions of this act, shall be, and the same are hereby repealed.

SECT. 24. Nothing in this act contained shall be so construed as to prevent the Legislature from altering or amending the same, whenever they shall deem it expedient.

SECT. 25. This act shall be void, unless the inhabitants of the town of Charlestown, at a legal town meeting called for that purpose, shall, by a vote of a majority of the voters present and voting thereon, by a written ballot, determine to adopt the same within twenty days from and after its passage, at which meeting the polls shall be kept open not less than six hours, and the presiding officer, in receiving said ballots, shall use the check lists in the same manner as they are used in elections.

13. A Committee on Ordinances,—to consist of the Mayor, one Alderman, and the President and two members of the Common Council.

On all Joint Committees, of which it is provided that the Mayor shall be a member; in case of the non-election, decease, inability, or absence of that officer, the chairman of the Board of Aldermen shall act *ex-officio*.

The member of the Board of Aldermen first named on every Joint Committee, of which the Mayor is not a member, shall be its chairman; and in case of his resignation or inability, the other members of the same board, in the order in which they are named, and after them the member of the Common Council first in order, shall call meetings of the committee, and act as chairman; and in case, from any reason, any Joint Committee shall not have been assembled within three weeks from the reference of any matter to said committee, the member of the Common Council first in order shall call meetings of the committee.

ART. 2. In every case of an amendment of an ordinance, or joint order, or joint resolution, agreed to in one board, and dissented to by the other, a conference may be had at the request of either; and the committees appointed by the re-

spective boards, for the purpose, shall meet as soon as convenient, and state to each other the reasons of their respective boards for and against the amendment, confer freely thereon, and report to their respective boards.

ART. 3. When either board shall non-concur in any ordinance sent from the other, notice thereof shall be given by written message.

ART. 4. Either board may propose to the other for its concurrence, a time to which both boards shall adjourn.

ART. 5. All by-laws passed by the City Council, shall be termed "Ordinances," and the enacting style shall be: Be it ordained by the City Council of the City of Charlestown.

ART. 6. In all votes, when either or both branches of the City Council express any thing by way of command, the form of expression shall be, "Ordered;" and when either or both branches express opinions, principles, facts or purposes, the form shall be, "Resolved."

ART. 7. After the annual order of Appropriations shall have been passed, no subsequent expenditures shall be authorized for any object, unless provision for the same shall be made by special transfer from some of the appropriations contained in the annual order, or by expressly creating therefor a city debt; in the latter of which cases, the order shall not be passed unless two-thirds of the whole number of each branch of the City Council shall vote in the affirmative, by vote taken by yea and nay: provided, that any unappropriated funds in the city treasury may be appropriated by a joint order of the City Council, after the annual order of appropriations shall have passed.

ART. 8. Joint Standing Committees shall cause records to be kept of their proceedings, in books provided by the City for that purpose. No committee shall act by separate consultations, and no report shall be received unless the subject thereof shall have been considered in committee actually assembled.

ART. 9. It shall be the duty of every Joint Committee, to whom any subject may be especially referred, to report thereon within one month, or to ask further time.

ART. 10. Ordinary messages between the two boards may be transmitted by their respective messengers; but all messages, proposing or assenting to a convention of the two branches, shall be borne by some member of the board, to be designated by the chair. All messages of the two boards shall be reduced to writing by their respective clerks.

ART. 11. All reports and other papers submitted to the City Council, shall be written in a fair hand, and no report or endorsement of any kind shall be made on the reports, memorials, or other papers referred to committees of either branch while in their possession. And the clerks shall make copies of any papers to be reported by committees, at the request of the respective chairman thereof.

ART. 12. No committee shall enter into any contract with, or purchase, or authorize the purchase of any articles of any of its members.

ART. 13. No chairman of any committee shall audit or approve any bill or account against the city, for any supplies or services which shall not have been ordered or authorized by the committee.

ART. 14. Every ordinance shall have as many readings in each board as the rules thereof shall require; after which, the question shall be on passing the same to be enrolled, and when the same shall have passed to be enrolled, it shall be sent to the other board for concurrence; and after its passage to be enrolled in concurrence, the same shall be enrolled by the clerk of the Common Council, and examined by a committee of that board; and on being found by said committee to be truly and correctly enrolled, the same shall be reported to the Common Council, when the question shall be on passing the same to be ordained; after its passage to be ordained, it shall be signed by the president and sent to the other board, where a like examination shall be made by

the committee on enrolment of the board of Mayor and Aldermen, and the same proceeding thereon shall be had as in the Common Council; and when it shall have passed to be ordained in both branches, it shall be signed by the Mayor.

ART. 15. No enrolled ordinance shall be amended.

ART. 16. No vote, by which a joint order or resolve, or an ordinance, has been passed in its final stage, shall be re-considered in either board, after the same has been finally acted upon in the other board, unless a motion for re-consideration be made, or notice thereof be given, at the same meeting at which the vote to be re-considered passed.

ART. 17. None of the foregoing articles shall be suspended, altered or repealed, unless by a vote of two-thirds of all the members of each branch.

RULES AND ORDERS
OF THE BOARD OF
MAYOR AND ALDERMEN.

ART. 1. The order of business shall be as follows :

1. The journal of the previous meeting shall be read.
2. Petitions shall next be called for, and shall be disposed of by reference or otherwise ; and also new business may be introduced by any member of the board.
3. Such nominations, appointments, and elections as may be in order, shall be considered and disposed of.
4. The orders of the day shall be taken up,--meaning by the orders of the day, the business remaining unfinished at the previous meeting, and such communications as may have been subsequently sent up from the Common Council.

ART. 2. Every Ordinance shall pass through the following stages before it shall be considered as having received the final action of this board, viz : First Reading, Second Reading, Passage to be Enrolled, Passage to be Ordained ; and every joint resolution shall have two several readings before the question shall be taken on its final passage.

ART. 3. An Ordinance may be rejected at either stage in its progress, but shall not pass through all its stages in one day.

ART. 4. Standing Committees shall be appointed on the Police of the City, on Licenses, and on Enrolment; each of said committees to consist of three members.

ART. 5. No member shall be interrupted while speaking, but by a call to order, or for the correction of a mistake; nor shall there be any conversation among the members while a paper is being read, or a question stated from the chair.

ART. 6. All committees shall be appointed and announced by the Mayor, unless the board shall determine otherwise.

ART. 7. The above Rules and Orders of business shall be observed in all cases, unless suspended by a vote of two-thirds of the members present, for a specific purpose.

RULES AND ORDERS
OF THE
COMMON COUNCIL.

RIGHTS AND DUTIES OF THE PRESIDENT.

ART. 1. The President shall take the chair at the hour to which the Council shall have adjourned; shall call the members to order; cause the roll to be called; and, on the appearance of a quorum, shall cause the minutes of the preceding meeting to be read, and proceed to business. In the absence of the President, any member present may call the Council to order, and preside until a president *pro tempore* shall be chosen by ballot. If, upon a ballot for President *pro tempore*, no member shall receive a majority of the votes, the Council shall proceed to a second ballot, in which a plurality of votes shall prevail.

ART. 2. He shall preserve decorum and order; he may speak to points of order in preference to other members; and shall decide all questions of order, subject to an appeal to the Council.

ART. 3. He shall declare all votes; but if any member doubt the vote, the President, without further debate upon the question, shall require the members voting in the affirmative and negative to rise and stand until they are counted, and he shall declare the result; but no decision shall be declared unless a quorum of the Council shall have voted.

ART. 4. He shall rise to address the Council or to put a question, but may read sitting.

ART. 5. The President may call any member to the chair, provided such substitution shall not continue longer than one meeting. When the Council shall determine to go into committee of the whole, the President shall appoint the member who shall take the chair. The President may express his opinion on any subject under debate; but in such case he shall leave the chair, and appoint some other member to take it. But the President may state facts, and give his opinion on questions of order, without leaving his place.

ART. 6. On all questions and motions, the President shall take the sense of the Council by yeas and nays, provided any two members present shall so require.

ART. 7. In all cases the President may vote.

ART. 8. He shall propound all questions in the order in which they are moved, unless the subsequent motion shall be previous in its nature; except that in naming sums and affixing times, the largest sum and longest time shall be put first.

ART. 9. After a motion has been made and stated by the President, it shall be disposed of by vote of the Council, unless the mover withdraw it before a decision or amendment.

ART. 10. When a question is under debate, the President shall receive no motion, but to adjourn—to lay on the table—the previous question—to postpone to a day certain—to commit—to amend, or to postpone indefinitely; which several motions shall have precedence in the order in which they stand arranged, and the first three shall be decided without debate.

ART. 11. The previous question shall be put in this form: "*Shall the main question be now put?*" It shall only be admitted when demanded by a majority of the members present, and it shall put an end to all debate, and shall bring the Council to a direct vote upon amendments reported by a

committee, if any, then upon pending amendments, and then upon the main question.

ART. 12. All incidental questions of order arising after a motion has been made for the previous question, shall be decided without debate, except an appeal, and on such appeal no member shall be allowed to speak more than once without leave of the Council.

ART. 13. When two or more members happen to rise at once, the President shall name the member who is first to speak.

ART. 14. All committees shall be appointed and announced by the President, except such as the Council may determine to elect by ballot.

RIGHTS AND DUTIES OF MEMBERS.

ART. 15. When any member is about to speak in debate, or deliver any matter to the Council, he shall rise in his place and respectfully address the presiding officer; shall confine himself to the question under debate, and avoid personality. He shall sit down as soon as he has done speaking. No member shall speak out of his place without leave of the President.

ART. 16. No member in debate shall mention another member by his name; but may describe him by the ward he represents, or by such other designation as may be intelligible and respectful.

ART. 17. No member while speaking shall be interrupted by another, but by rising to call to order. If any member, in speaking or otherwise, transgress the rules of the Council, the President shall, or any member may, call to order: in which case the member so called to order shall immediately sit down, unless permitted to explain; and the Council shall, if appealed to, decide on the case, but without debate. If the decision be against the member, he shall not be permitted to proceed without leave of the Council; and if the case require it, he shall be liable to the censure of the Council, or he may be expelled.

ART. 18. No member shall speak more than twice to the same question, without leave of the Council; nor more than once until all other members choosing to speak, shall have spoken.

ART. 19. Every motion shall be reduced to writing if the President direct, or if any member of the Council request it.

ART. 20. When a vote has passed, it shall be in order for any member of the majority to move for a re-consideration thereof at the same or succeeding meeting; but if the motion to re-consider be not made till the next meeting, the subject shall not be re-considered unless a majority of the whole Council shall vote therefor. And no more than *one* motion for the re-consideration of any vote shall be permitted.

ART. 21. No member shall be permitted to stand up, to the interruption of another, whilst any member is speaking, or to pass unnecessarily between the President and the person speaking.
